TERMS AND CONDITIONS OF VEHICLE LOAN. By taking delivery of the vehicle, the User accepts that these terms and conditions apply.

Section 3

- The vehicle has been assigned for loan and evaluation purposes. AML retain title to the vehicle and the User may not do anything inconsistent with AML right of ownership. No other person may drive the vehicle without permission of the User and must agree to and sign a copy of the AML Driver Indemnity & Declaration Form. If AML have arranged insurance the vehicle may only be driven within the conditions included in Insurance section B* below.
- The vehicle may not be used for hire or reward, rallying, organised motor sport or severe off-road use, or taken outside the United Kingdom / agreed Territory during the period of the loan, except with AML's prior written consent.
- The User or other permitted driver shall drive the vehicle in a safe and responsible manner in accordance with all applicable road traffic laws and regulations.
- The User shall take a duty of care for the vehicle in accordance with the vehicle handbook and return it in the same condition as received from AML, except for normal wear and tear.
- The User shall ensure that when left unattended, the vehicle will be locked, its keys removed, the alarm, if fitted, activated, the steering column lock applied and all reasonable precautions taken to protect the vehicle from theft or damage.

Section 4 - CONGESTION CHARGING

No congestion charge for London (or any other jurisdiction) has or will be paid by AML in respect of this vehicle. The User of the vehicle is responsible for paying all congestion charges during the period of the loan unless advised by AML to the contrary. The User will be responsible for, and will indemnify AML against the payment of any congestion charges, or fixed penalty notices which are incurred during the period of the loan.

Section 5 - PARKING FINES/FIXED PENALTY NOTICES

The User shall be responsible for the settlement of any fines or penalties arising from the use of the vehicle during the loan. AML will supply user's details to the authorities on request. Please note the User is advised to maintain a record of each driver permitted to use the vehicle during the loan period.

Section 6 - INSURANCE (*Clearly Delete A or B as appropriate)

~~A* The Borrower is required to arrange insurance for the period of the loan. (1)~~

Insurance Company	Policy/Certificate/Cover Note Number	Level of Cover (Fully Comprehensive)

(1) Any exemptions must be sought with concurrence from the Insurance Department (see VLA Instructions for guidance)

~~B* AML have arranged insurance to apply for the loan period. The borrower agrees to pay the £10,000 excess applicable to the policy in the event of an incident. The User will report any notifiable incident on a AML Motor Incident Report Form. AML or their Insurers will have sole conduct of claims. The vehicle may only be driven by the authorised user and any other named drivers. Only persons who have reached the age of 25 (unless otherwise authorised by AML) and held a full driving licence for two years, may drive Aston Martin or similar high performance vehicles. AML does not provide insurance coverage for personal accident benefits or personal property that may be lost or stolen.~~

RETURN OF VEHICLE

Unless otherwise advised the User is responsible for the return of the vehicle to AML by the due date, or to surrender the vehicle immediately if the loan is terminated earlier. In the event of failure to return the vehicle AML shall be entitled to enter upon premises to repossess the vehicle and the User hereby indemnifies AML against all claims or rights of action arising there from.

I have today received back the above-mentioned vehicle on behalf of AML and confirm termination of the loan period.	Signed:	Department:
	Date: 	

Additional Conditions relating to use of Engineering Vehicles:

1. Reference: Value Added Tax (Cars) Order 1980 **

The above vehicle is an Engineering vehicle on which no VAT has been paid. This right has been granted by HM Customs provided that it is used for Research & Development work only.

I/we agree to conform to the relevant provisions of the above order in respect of the vehicles detailed below, in that:

- 1.1 The period for which the vehicle will be retained on loan will not normally exceed 3 months, without the permission of the vehicle owner.
- 1.2 The object of the loan is for the development of Component parts, systems and accessories for AML exclusive use in production, and/or is part of an authorised programme of short-term Competitor product exchanges.
- 1.3 During the loan period, the vehicle will be used exclusively for the testing or evaluation of components, systems and accessories.
- 1.4 The vehicle will not be used for transport of people or materials, either Business or Private / Domestic, unless specifically related to the programme of development work on that particular vehicle.
- 1.5 Whenever this vehicle is driven on a public highway the vehicle travel log book will be completed stating the driver's name, usage, destination, start & finish mileage.

2. Security and Confidentiality **

I/we hereby undertake to:

- 2.1 Accept responsibility for the safety and commercial security of the vehicle whilst in our possession.
- ~~2.2 Ensure that the vehicle is NOT parked in any location where the public have right of access, nor where unauthorised photography might occur.~~
- 2.3 Ensure that any camouflage provided will remain fitted to the vehicle at all times.
- 2.4 Allow the vehicle to be used ONLY for the development of component and parts and accessories – private use and/or general transportation purposes are strictly forbidden.
- 2.5 Prevent access to or use of the vehicle by third parties without the express written consent of Vehicle Owner and ensure that information derived from the activity is treated as confidential – disclosure to third parties is forbidden except with the express written permission of AML.
- ~~2.6 Ensure that no photographs are taken, stored or distributed of any vehicles loaned to third parties while in their possession unless required as part of the engineering exercise, nor shall I/they comment upon the vehicle to any third party.~~
- 2.7 Notify Vehicle Owner immediately if security or confidentiality is known or suspected to have been compromised.

The undersigned company representative acknowledges that they have been advised of the above restrictions and will comply with them at all times.
